**Coaching Under the Sun: Hot Summer Strategies**

Submission deadline: June 30, 2024. Publish July 2024

**CCMag is accepting articles!  
500-1500 word length**

**Below are examples of possible approaches for Summer articles:**

- What do you love most about summer? Do you rest and recharge? Or, are you pressing into your coaching?
- What new strategies are you experimenting with?
- How do orgs, teams, or you as a coach, manage the summer months differently?
- What are you working on this summer to prepare you and your business for the future?
- How do you help yourself or your clients manage their lazy days of summer if they struggle with procrastination, hectic schedules, or self-care routines?
- Summer is not just fun for kids! How are you bringing fun into your coaching sessions, business, or leadership?
- Team coaching is a hot topic! What tips, techniques, or trials are you experiencing or researching?
- What case studies, models, or methods are you using that have elevated your coaching, or are bringing into the workplace?
- Anything goes - Get creative!
